

# Commercial Mariners

## AQUILA NOVA PRIVATE LIMITED

*Simple, Innovative & Effective Solutions*

Aquila provides Marine Electronics for the commercial mariner. Launch Boats, Crew Boats, Supply Boats will all benefit from reliable electronics.

GPS charts with AIS and Radar overlay enhances the safety aspects and the added benefit for launches is the ability to search using AIS for the vessel they are headed for.

Thermal Imagers helps with Night Navigation and a good navigation aid to collision avoidance.

Further enhancement of marine CCTV onboard to ensure for security.

Call us if you would like us to provide a system recommendation.
